

**FIELD OPERATIONS DIVISION
ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT**

REQUEST FOR COAL PERMIT POST-MINING DISCHARGE LIMITATIONS

Please Type or Print In Ink. Use One Form Per Outfall. Please Complete All Responses. Use "N/A" Where Appropriate. Incorrect/Incomplete Forms Will Be Returned And May Delay Approval. Please attach a detailed explanation for any "No" or blank responses or as necessary to explain any unusual circumstances.

Instructions: Your NPDES permit requires that certain information be provided in writing to the Alabama Department of Environmental Management (ADEM) in order to obtain approval for post-mining discharge limitations for a permitted outfall and its associated drainage area. You are advised that you must continue monitoring and reporting using standard limitations until the Department grants approval of your request in writing. Complete this form and submit to ADEM at PO Box 301463, Montgomery, AL 36130-1463.

 Additional information is attached to 1) further support this request, 2) provide pertinent additional information, as required by the permit, that is not requested on this form that may impact the Department's determination regarding this request, or 3) explain a "no" response on this form, or 4) provide an explanation for circumstances which may potentially result in delay or non-approval of this request.

REQUEST FOR COAL PERMIT POST-MINING DISCHARGE LIMITATIONS, Continued

13. Print or type the name and title of the principal executive officer or authorized agent whose signature appears below:

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

I understand that discharges are eligible for post-mining limitations sixty (60) days after permittee verification of receipt by the Department of the above complete and correct information and certification, unless the Director, or his designee, has notified the permittee that the request is incomplete, that additional time is needed by the Department to properly process the request, or that the request for post-mining limitations contained in this permit has been disapproved.

I understand that it is the permittee's responsibility to ensure and verify receipt of this request by the Department and that the permittee is required to immediately notify the Department in writing should conditions or information provided in this request, upon which approval may be granted, change."
